hnqiu

📍 42 XXX Street ·City ·1024   ✉ email@domain.com   📱 0123 456 789

PROFILE

- » PhD candidate in intelligent robotic control
- » Active programmer in computational intelligence and machine learning

EDUCATION

📅 2017/03–present   **PhD in Electrical Engineering**
Wild Rooster University   📍 City, Country
- » Topic?

📅 2009/09–2013/06   **B.S. in Electrical Engineering**
Jialidun University   📍 City, Country
- » GPA: 4.01/4.0

WORK

📅 2015/07–2017/03   **Embedded System Design**
Company   📍 City, Country
- » Circuit design and C programming
- » Algorithm implementation on microprocessors

IT SKILLS

Skill	Level
C++	●●●●●●●●●○
Python	●●●●●●○○○○
MATLAB & Simulink	●●●●●●●●○○
Robot Operating System (ROS)	●●●●●●●○○○
Git	●●●●●●●●○○
Latex	●●●●●●●●○○
Electronic schematic design & layout	●●●●●●●○○○
CAD modelling	●●●●●●●●○○
